HUNS KNEEL IN TERROR BEFORE INDIANS.

Eastern Warriors' Victory in Memory of
Their "Father," Lord Roberts.

PARIS, Nov. 26.—An officer who has arrived from the front tells a striking story of a victory achieved on Tuesday last by the Indian troops.

Ever since the death of Lord Roberts the Indians have been begging through their officers to have an opportunity of inflicting a defeat upon the Germans in honour of his memory.

On Monday last they were shelled out of a certain position, and they were then told that the best way to honour Lord Roberts's memory would be to retake the lost ground.

Swearing to do so as long as one of them should be left alive, they advanced under cover of darkness in dead silence, and no suspicion was awakened among the Germans.

Then there came the cry of an owl, and suddenly the Germans found swarthy enemies swarming into their trenches.

Stricken with terror, they endeavoured to fly, but only a few escaped, the majority falling victims to the Indians' bayonets.

Such Germans as were taken prisoners seem in some cases to have actually gone on their knees and begged for mercy.

When the lost trenches had finally been re-occupied the Indians asked their officers: "Do you think if our 'Father' had been here he would have been pleased with us?"

"You have proved yourselves worthy of him," was the reply.

Prisoners state that it will be difficult in future to get the Kaiser's troops to stand against Indian attacks.

"They come upon us," they say, "like ghosts in the night, and the first we know of their presence is when our sentries give their death cries. Their appearance is uncanny and terrifying, and fear prevents us resisting."—Central News.

RESERVE OF OFFICERS.

The attention of Reserve Officers is particularly directed to the following Regulation:-

An Army Reserve Officer shall report himself at the commencement of each year, in writing, to the Secretary of the War Office. Should he fail to do so he shall (unless he be an Officer retired from the Regular Forces with liability for further service in case of emergency) be removed from the Reserve of Officers at the end of the year in which he fails to report himself.

Reserve Officers reporting themselves in compliance with this Regulation, will, at the same time, furnish their addresses for the current year; and any subsequent change of address should be at once notified to the War Office.

Reserve Officers accepting service under any Government Department, County, Borough, or Municipal Authority, should notify the fact to the Secretary of the War Office as soon as possible.

[Officers whose names are printed in Italics are not immediately available for Army Service though liable to be recalled thereto.]

[Officers marked thus † are voluntarily in the Reserve of Officers.]
